

Few Brooklyn hotels possess the same spirit and moxie of NU Hotel, downtown Brooklyn's original boutique hotel. Offering luxury amenities and exceptional service, NU Hotel channels Brooklyn's distinct personality in its 93 loft-inspired rooms which feature a modern aesthetic and minimalist design. Bright pops of street art from local artists can be found on the guestroom walls and distinct accents throughout the hotel showcase the borough's rich artistic heritage. The tone is set for a casual cool, yet subtly sophisticated stay by hardwood floors, cozy chairs and comfortable beds. A chalkboard wall in the bathroom is equally suited for an artistic masterpiece or a playful scribble.

In The Urban Suite, a hammock awaits.

#### **AN INDEPENDENT COLLECTION HOTEL**

The Independent Collection is a growing collection of cultivated lifestyle hotels located in unique residential neighborhoods of gateway cities across the US. This distinctive hotel concept is renowned for its simple sophistication, authentic connection to local communities and personalized service. Independent Collection hotels are created for the independently minded traveler and invite guests to experience the true spirit of the city.

## HOTEL ROOMS

NU Hotel boasts a dynamic urban vibe, where street art combines with relaxing nooks to create a refreshing place to lounge. Each of the 93 loft-inspired guestrooms feature recycled hardwood floors and furniture, floor-to-ceiling curtains and retro-inspired headboards. In select guestrooms, the walls themselves are works of art, as they feature large-scale murals by local artists as part of the NU Perspectives program.

## DINING

NU Hotel features its own bar and lounge, Misdemeanor, conveniently located in the hotel lobby. With large windows, an artistic vibe and the faint bustle of the hotel lobby, the lounge's atmosphere is the perfect mix of urban cool & laid back, ideal for hosting intimate events. During the warmer months, Misdemeanor opens onto the street to become one of the largest sidewalk cafes in downtown Brooklyn and a premier spot for people watching. Perhaps the bar's most signature offering is its focus on local specialty products; from beer and wine to spirits, hand-crafted cocktails and, of course, food.

## NU PERSPECTIVES

As a part of the NU Perspectives Project, NU Hotel has given creative license to a number of local artists to liven up select guestrooms at the hotel. The hotel's white walls and loft-like design serve as a blank canvas on which the artists can put their signature creations with floor-to-ceiling murals. Currently, NU Hotel boasts 15 NU Perspective guestrooms and is always accepting artists' submissions.
